"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

The lord of snark, Lawrence Dorfman, is back! With this treasury of backhanded compliments, sarcastic insults, and catty comebacks, Dorfman gives us transformative wisdom that 's sure to change your life—or at least induce a light chuckle. One question plagues us all: How do we survive all the Sturm und Drang of everyday life? The answer is but one word: snark. “ She wears her clothes as if they were thrown on by a pitchfork. ” —Jonathan Swift “ Why don ' t you get a haircut? You look like a chrysanthemum. ” —P. G. Wodehouse “ He ' s a mental midget with the IQ of a fence post. ” —Tom Waits “ They hardly make ' em like him anymore—but just to be on the safe side, he should be castrated anyway. ” —Hunter S. Thompson “ He has a Teflon brain . . . nothing sticks ” —Lily Tomlin “ He has no more backbone than a chocolate é clair. ” —Theodore Roosevelt Snark will keep the wolves at bay (or at least out on the porch). Snark, much like a double scotch, will help you deal with relatives, shopping, and rudeness; it is an outlet for the unleashed vitriolic bile that ' s saved itself up over the months. Like a shield, it will protect you while you go about your life. Snark is your answer!

...a message to the Black Youth.This is a compilation of individual essays written during the summer-fall of 1992. The essays are designed to inspire thought within the Black Mind. These writings are primarily targeted toward the Black Youth of this day, of which I am a part of. I am not a Master of these teachings, but these teachings I wish to Master.They say that my generation is not intelligent enough to read a book. I say that They are wrong. It is just

that They are not writing about anything of interest that is relevant to our lives!And when They do write something, they have to write in the perfect King's English to impress their Harvard Professors! Here we are with a book in one hand, and a dictionary in the other, trying to understand what in the hell the author is talking about!If you have got something to say, just say it! We are not impressed by your 27-letter words, or your Shakespearian style of writing. The Black Youth of today don't give a damn about Shakespeare!!! This ain't no damn poetry contest! Wear are dealing with the life, blood, and salvation of our entire Black Nation!If you want to reach the People, you have to embrace us where we are, and then take us where we need to go. So, these writings are from my generation and for my generation with respect and love.If no one will teach, love and guide us, then we will teach love and guide ourselves.Peace.

A humorous guide to seducing, satisfying, and loving the only man you'll ever need In an act of generosity, Adrian Colesberry has written an exquisitely detailed guidebook to ensure that every reader knows precisely how to please him-in bed and beyond. Brimming with self-indulgent and incredibly bawdy humor, How to Make Love to Adrian Colesberry is a humorous sexual memoir disguised as a manual on Colesberry's pet peeves, favorite positions, and surefire ways to turn on your man (aka Adrian Colesberry). Recounting dozens of annoying peccadilloes and helpful tips gleaned from his experiences with former lovers, Colesberry covers all stages of the court-andconquer-Adrian-Colesberry process. Beginning with how to attract Colesberry, he later progresses to foreplay and finally the full monty, revealing his own erratic, often unerotic sexual history along the way. A pitch-perfect parody that spares no detail, How to Make Love to Adrian Colesberry is a hilarious and filthy new entrant into the fratire genre.
