Solid content and the newest technology combine to create the most comprehensive real-world accounting program available! You receive cutting-edge experience in business accounting through Glencoe's partnerships with the American Institute of Certified Public Accounting (AICPA), Peachtree Accounting Software, and Robert Half International. This completely revised accounting program gives students the latest content and introduces the most exciting technology - all designed to connect accounting to the real world of business. Students will be introduced to the real world of accounting software through the integration of Peachtree throughout the text as an essential part of this program. Software tutorial directions are included at the point of instruction for each application.
